

CITY OF RENTON

BOARD OF ADJUSTMENT VARIANCE REVIEW PROCESS

Total Processing
Time Approximately
8 weeks

City staff or other agencies may request additional information during the review and decision making process. It is important that the applicant submit the requested material quickly to avoid delays in the process. Any time spent gathering data and/or additional city review period is not included in the above chart and will increase the time required to process the application.

*The application deadline for Board of Adjustment Review is approximately 25-30 days prior to the next scheduled board meeting. The Board of Adjustment meets on the fourth Wednesday of each month at 7:30 pm.

**Often the same day as hearing
